

Corfu used to be made up of 13 municipalities, each with their own Town Hall and Mayor. However as of 2011, ALL CIVIL WEDDINGS MUST TAKE PLACE AT CORFU TOWN HALL on Tuesdays and Thursdays only. This is the official signing part of the civil wedding and also the registration of the wedding after the wedding. We can also arrange a wedding ceremony after the signing at the town hall at a variety of beach and outdoor locations for a supplement of €400. This ceremony is recommended to take place in afternoons or even the next day after the signing making convenient for you and your guests.
